Membership in international and national scientific societies

1. Member of the UNESCO Chair "Culture et Traditions du vin" Université de Bourgogne, Dijon. France
2. Vice President of the Geography Society of Romania since 2009
3. Member of the Association of Geomorphologists of Romania
4. Member of the Romanian National Society for Soil Science
5. Member of the Foundation for the Protection and Conservation of Soil "N. Bucur "
6. Member of the Romanian Association of Teachers of French
7. Member in BEX of the Iasi Branch of the SGR of 2017

Published scientific papers

(Annex 1) 1. Books in academic publishers: 11 (eleven - 2 abroad), of which 7 (seven) as sole author and 4 (four) in collaboration

2. Published scientific articles: 85, of which 63 as single author or first author. Articles published in the form of an abstract abroad: 15

Book chapters:

3, of which 1 abroad.

Papers presented at scientific events (Annex 2)

Over 150 scientific papers presented, of which 25 abroad (France, Canada, Hungary, New Zealand, Greece, Bulgaria, Macedonia) and the rest in the country.

Scientific research contracts

(Annex 3)

Director of two research contracts and collaborator on 10 other research contracts aimed at, the analysis of the pedological heritage of the Eastern Carpathians, the analysis of the geomorphological and pedo-climatic risks, etc.

Quotes in the specialized literature

Over 150 citations of own contributions, in specialized books or scientific publications.

Didactic activity Courses and seminars held

- 1) Geography of Africa (course and seminars)
- 2) Geography of Asia and Australia (course and seminars)
- 3) Climatology à des elements of meteorology (course and seminars) -in French.
- 4) Géographie des sols à des élément de pédologie (course and seminars) -in French.
- 5) Géographie d 'Europe (course and seminars) - in French.
- 6) The natural potential of the Aegean - Mediterranean area (course and seminars) at the Master of Aegean - Mediterranean Studies.
- 7) Soil mapping (course and seminars) at the Soil Science Master.
- 8) Current problems of the Mediterranean environment (course and seminars) at the Master of Egeo-Mediterranean Studies.
- 9) The geography of the natural environments of the globe (course).
- 10) Geography of intertropical environments (course)
- 11) Anthropic risk assessment (course and seminars).
- 12) Regions and regionalization within the European Union (course and seminars.
13. Régions and regionalization in the space of the European Union (cours et TD) -in French
14. Geography of the non-European continents (course and seminars)
15. Arrangement of forest areas (course and seminars)
16. Valorisation touristique des espaces montagneuses by alternative tourism -in French, course
17. Géographie des milieux naturels du globe -in French (course and seminars).
18. Pédogéographie -in French (course and seminars).

Guidance for undergraduate / dissertation papers

Coordination of over 150 bachelor's degrees, starting in 1996 and more than 60 dissertation papers starting in 2000

Practical student applications

- Over 30 student applications and specialized practices, coordinated between 1995-2012, especially in the mountain area of Romania, but also in the extra-Carpathian and intra-Carpathian geographical units
- LLP Erasmus practice tutor over 200 students between 2008 and 2011

Additional information

Doctoral supervisor - conformable OM 479 / 05.03.2007,

2020: 4 theses in the internship, 8 theses publicly presented, 1 doctorate in progress in co-operation with Université de Bourgogne Dijon, France

Theses supported by obtaining the title of doctor in Geography under my supervision.
